

CONTEMPORARY STYLE  
**METRO™**

*Maple finish*

*Black finish*

The Metro combines commercial table components with the styling of a home table. Featuring contemporary design with the craftsmanship and world-renowned playability that Brunswick is legendary for, the Metro will be at home in a billiards club or a private game room.

# CONTEMPORARY STYLE METRO™

## DESIGN

The unique design of the Metro combines the durability and precision necessary for tournament play along with elegant styling for the home. Attractive brushed aluminum accents the aprons of the table. Foot levelers make for quick and easy leveling. The Metro features deep Gold Crown® IV pockets; each can easily hold up to ten balls. The table is available in eight- and nine-foot sizes and color options include black and maple.

## PERFORMANCE

Over 150 years of fine craftsmanship and refinement by Brunswick engineers results in world class competition tables that are designed and manufactured according to exacting standards. These Commercial tables feature Brunswick's exclusive
